It's hard to believe another "Safety Year" has come and gone...what's also hard to believe is how many of our drivers qualified for our annual safety award this year! It's obvious...RJR drivers are the best in the west!

I would like to congratulate all of you who received an award, and especially those who qualified for milestone awards such as John King with his 30 Year Award! Truly remarkable...no one does it better than "The King"!

I am grateful to those in our company who truly make the effort to make safety a priority. I appreciate you taking the time to read our safety newsletters, and, participate in our safety meetings, Sentix lessons and safety contests. I know "safety" isn't always an exciting subject...however it sure is important to us all!

Best wishes for everyone in 2024-2025! May you all stay healthy, happy and accident free!
